IMPORTANT INFORMATION FOR INJURED UW EMPLOYEES AND UW SUPERVISORS: PROCEDURES TO FOLLOW IN THE EVENT OF A WORK-RELATED INJURY

EMPLOYEE RESPONSIBILITIES:

1. All injuries must be reported immediately by the injured employee to his or her supervisor.
2. Seek medical attention if necessary. Urgent care facilities in Laramie.
   Grand Avenue Urgent Care, 3236 Grand Ave - (307) 760-8602
   BestMed Urgent Care, 3810 Grand Ave - (307) 721-1794
   Convenient Care Clinic, located in Ivinson Memorial Hospital 255 N 30th St (307) 755-4540

   Their service is typically quicker and less expensive than the emergency room, so employees are encouraged to consider that option. For employees who are working outside of Laramie, and experience a work injury, please seek medical attention at the nearest appropriate health care provider.

   Advise the health care provider that you are employed by UW and that you were injured while on the job. If you are asked for a case or claim number, explain that it will be issued by the Wyoming Workers' Compensation office (refer to #3 below). **Take the UW Work-Related Injury Follow-up Form with you to your appointment (it is located at the end of these instructions). Send this completed form to David Heath (daheath@uwyo.edu) in Human Resources.**

   If you need to get a prescription filled, you may contact the U.W. Workers' Compensation Coordinator about ordering it without a case number (and not paying for it when it is filled).

3. **Notify** your supervisor of the injury **immediately**. You are required to complete the **Wyoming Employee Report of Injury** as soon as possible and be sure to include a description of what you were doing when the injury occurred (please be specific). Sign the Employee Certification section. The form may be completed electronically (must be printed and signed) or on paper. **Give completed form to your supervisor or other person authorized by your department to sign the Employer Certification.** If your supervisor is not available, please go ahead and submit the form to Human Resources so the processing will not be delayed. **DO not wait to turn in the form.** Call David Heath is you need assistance.

4. The completed Employee Report of Injury must be returned to Human Resources in Hill Hall, Room 343. **DO NOT** send it to the Workers' Compensation Division in Cheyenne. After your report is processed, the State of Wyoming Workers' Compensation Analyst will contact you by phone or mail with your case number. **It is your responsibility to contact the medical providers that treated you for this injury to provide them with the Workers' Compensation Claim number in order so they are able to bill them directly.**

5. **Ask for a written note stating whether you are able to return to work. The note must clearly indicate if you are returning to full work duties (no restrictions), if you are returning to work with partial work duties (restrictions – must list the specific restrictions), or if you are not allowed to return to work due to the injury (missed days). You must provide the follow-up notes to the David Heath, the Workers' Compensation Coordinator, after every appointment.**

6. IF YOU MISS MORE THAN 3 DAYS OF WORK TIME DUE TO THIS INJURY, you may be eligible to be paid for Temporary Total Disability (TTD) benefits. Contact the WY Workers' Compensation Claims Analyst at 307-777-8758 for details. Benefited employees who miss work due to an injury may use sick leave, vacation, or compensatory time to supplement their TTD benefits.

SUPERVISORY RESPONSIBILITIES:

1. Make sure the employee seeks medical treatment if necessary. **Ask the employee to take the UW Work-Related Injury Follow-up Form with them so the health care provider can fill it out during their appointment.**

2. Make sure the injured employee completes the **Wyoming Employee Report of Injury** thoroughly (please be specific), with a description of the work they were performing at the time of the injury. Review the form and make sure it is submitted to the Workers' Compensation Coordinator in Human Resources as soon as possible but not longer than 10 days from the date of injury.

3. **If the employee sought medical treatment, do not allow the injured employee to return to work without a medical release.** The employee must submit a written notice indicating when they may return to work and whether there are any work restrictions. Ask the employee to let you know if they will have any additional medical appointments related to this injury.

4. If the injured employee sought medical treatment, make sure the employee submits the **UW Work-Related Injury Report Follow-up Form** to the Workers' Compensation Coordinator right away. A written note from the health care provider concerning the employee's ability to return to work **must** be provided after every appointment. **If the employee brings the note to you, send it to the Workers' Compensation Coordinator right away (it may be scanned and emailed or faxed to 766-5636).** The Wyoming OSHA Recordkeeping regulations have strict deadlines for compliance, so updates must be provided in a timely manner.

5. If the employee is released to light (restricted) duty, contact David Heath at 307-766-5693 to initiate a Return to Work (Light Duty) agreement form.

For further information please contact:

David Heath, Workers' Compensation Coordinator for UW Human Resources Department,
Room 343, Hill Hall, 307-766-5693, daheath@uwyo.edu.

UW WORK-RELATED INJURY FOLLOW-UP FORM

MUST BE COMPLETED BY HEALTH CARE PROVIDER

Return this completed form to David Heath in HR, Hill Hall Room 343 – FAX 307-766-5636
